LOCAL.

From the present outlook a good wheat crop is anticipated by the farmers.

Mr. Ab McKinnie's little daughter is much improved, hope will soon she be well again.

One of Esq. W. A. Caruthers' little sons fell out of a swing on Saturday morning last, and broke his arm.

A nest of young rabbits was found in the Court House yard last Saturday, when it was being cleaned up.

After this the mail from Bolivar to Bryantsburg will leave Bolivar Saturday morning, instead of Friday morning.

We frequently get well prepared communications, intended for publication, which find their way to the waste basket, on account of their great length. We have not the space for lengthy communications, but short, news' articles are always welcomed.

Mr. Austin Miller, chairman of the Asylum building committee, was in Memphis the latter part of last week, attending a meeting of said committee, call for the purpose of choosing an architect for the Asylum.

Mrs. L. C. Newbern, died of pneumonia, on the 13th of April, at the Bolivar, House. The funeral was very largely attended on the 15. Rev. C. D. Hillard conducted the services. She will be missed by her friends, but more by her children.

Mrs. C. P. Hudson, of Batesville, Ark., a few days ago returned to her old home, Toone, where she will spend the summer. In the fall will return to Batesville. The Prof. is deservedly popular as a teacher in his new position, as an evidence the building will be enlarged this season.

Mr. McDonald, of Louisville, Ky., was selected by the building committee, architect of the Asylum, at the meeting in Memphis, last week. The plans submitted by the above named gentleman were more satisfactory to the committee than any submitted to them. We had the pleasure of meeting Mr. McDonald when he was here, and found him to be a very intelligent gentleman.

Mr. A. J. Coates returned on Saturday last from a tour of Fayette, Tipton, Lauderdale, and Dyer, counties, in his interest as a candidate for Attorney General. He reports that his prospects are very favorable for Election. Mr. Coates is a good lawyer and is in every way worthy the confidence of the people.

This weeks Bulletin contains the announcement of Mr. W. P. Day, of the 13th District, for Register of this county. Mr. Day has resided in this county for many years, and has the confidence and esteem of his acquaintances and neighbors, who will give him a strong support for the place. He is a one armed Confederate soldier, and has a large family to support. He only consented to make the race after being warmly solicited to do so by many of his neighbors, who know that he stands in need of the place. If elected, his qualifications will enable him to fill the place acceptably to the people of this county.

Dr. A. P. Waddell passed through Bolivar on Saturday last on his way to join his family at Union City. He has been winding up his old business near Whiteville for the last several months. This country has lost, and Union City has gained a valuable citizen in the person of Dr. Waddell. His many friends here wish him and his family much happiness in their new home.

EDITOR BULLETIN:—In your last

issue you called for reports of the subscriptions in the different Civil Districts to the Hardeman County Agricultural, Mechanical and Live Stock Association.

The undersigned was appointed by the public meeting held in the court house some months ago in connection with R. H. Walton, Esq., and S. Kahn, Esq., as a sub-committee to canvass District No. 6 for subscriptions. A committee was appointed in every District for the purpose. The sub-committee for District No. 6 have secured in good subscriptions the sum of \$1375.

The 5th District has left its subscription with us amounting to \$40. The 13th District committee has also handed in its list amounting to \$93.50. All the other Districts, through their committee, should make response as soon as possible. The subscriptions represent so much stock to be issued to the subscriber to be invested in land and improvements thereon for the purposes of the Association.

It is a movement in the direction of better things for the county and all our people. We should endeavor to work together and co-operate in all efforts for the common good and prosperity of the county.

This is an agricultural county. It needs to be stimulated by concert of action and energetic effort in a united way, among all its people. We all ought to remember that what is to the interest of one district is likewise to the interest of all other districts. That any enterprise which helps the country will also help the towns in the county and vice versa. What is chiefly needed to restore Hardeman County to the position it occupied among the counties of the state is more united feeling and action among all its people, so that they can work together. We ought not to have any feeling as to conflict of interests between town and country, or any odious comparisons between districts or sections of the county. What is best for the county is best for all its parts, and all its people. Let us work together.

A. T. McNEAL.

Bolivar, April 14, 1886.

Mr. W. W. Farley's announcement as a candidate for re-election to the office of County Court Clerk of this county, will be found in this issue of the Bulletin. Mr. Farley is so well-known to the people of this county—having served them acceptably for 6 years as sheriff, and for 4 years as County Court Clerk—that anything we might say as to his fitness for the position he now holds, would be superfluous. There is not a man in this county who is more popular, and who has a stronger personal following.

His promptness and efficiency in the discharge of every public trust committed to him, and by the rapidity and ease with which he dispatches the business of his present position render him invincible for the place. He will, no doubt, be permitted to retain his present responsible position without opposition.

In this issue will be found the announcement of A. F. Yopp for re-election to the office of Sheriff of this county. Mr. Yopp is now serving his second term, and the universal verdict is, that he has made one of the best sheriffs Hardeman County has ever had. He has been very active in the discharge of the onerous duties of that place, and has never shirked any responsibility connected therewith, but has done his whole duty, whether in the execution of process in civil or criminal cases. The people are entirely satisfied with the manner in which he has discharged this public trust, and will gladly continue him in office another term, when by law, he will be forced to retire.
